## STEWARDSHIP IN ACTION

“YOU WILL CRY FOR HELP; HE WILL SAY: HERE I AM.”

When was the last time you reached out and touched someone? Even when you didn't have time? Even when you didn't want to? You have a special talent. When was the last time you failed to give of your money because you had something you wanted more...something for yourself?

I believe all of us have a built in compass to help us get to wherever we desire to go. Trust your compass. With that trusting will come the strength to bear whatever life deals you.

Every day the Lord provides us a compass that points us in the right direction. We learn love, fairness, integrity, honesty, human dignity, patience and encouragement.

Each day, let us remember that weeping may last for the night, but a shout of joy comes in the morning.

Plant your Seed of Stewardship now so you can shout for joy every morning.

## *Being a Faithful Witness*

*Devote yourselves to prayer, being watchful and thankful. And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should. Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone.*

Colossians 4:2-6 (NIV)

The above passage of Scripture is often called the *Witnessing Passage*. In it the Apostle Paul asks the Christians at Colossae to devote themselves to prayer for the purpose of sharing their faith with others. Paul also asks for prayer for himself that he might proclaim the gospel in a clear, concise way so that people will understand and come to faith in Jesus.

As disciples of Christ we need to do the same thing. Every day we should devote ourselves to prayer so that we become aware of any and all opportunities God will send our way to share our faith with the lost. And then we need to pray that God will give us the strength and courage to make the most of the opportunity to plant the seeds of the gospel in each person's heart.

It is imperative that we study God's Word and practice sharing our faith with others so that we "*may know how to answer everyone.*" As we are convinced that our eternal destination rests upon our belief and trust in God, we need to realize, so does everyone else's. Those who die without Christ will spend eternity in hell, and we should not want that for anyone—not even our worst enemy.

One of the challenges you will run into as you share your faith is to prove there is a God. Sounds difficult, but it isn't really. Mark Cahill, in his book "One Thing You Can't Do in Heaven" says it is really not difficult at all. Romans 1:19 says: *What can be known about God is clear to them (i.e. unbelievers) because he has made it clear to them.*

Within his creation God has revealed proof of his existence. Cahill says one of the basic proofs for God has four points: 1) Creation; 2) Design; 3) Art; 4) Order. When witnessing to an unbeliever you can use the objects around you to talk about these four points. Say for instance you're walking downtown, you could say "Every time you see a building you know there had to be a creator. Every time you see a car (or truck, or watch or computer) you know it had a designer. Every time you see a piece of art (in downtown Salisbury there are all kinds of examples, but wherever you are, point out something artistic) you know there had to be an artist. Every time you see order, like 20 cups placed in a row, you know there had to be an orderer." Then you change the topic to the universe or the world. "When you look around at this world what do you see? You see creation, design, art and order. If manmade things have a creator, a designer, an artist and an orderer behind them, why would you not think that there is a Creator, a Designer, an Artist and an Orderer behind this world?"

Romans 1:20 says: *From the creation of the world, God's invisible qualities, his eternal power and divine nature, have been clearly observed in what he made. As a result, people have no excuse.* The Bible tells us that people will have no excuse before God if they claim there wasn't enough proof of his existence. Creation itself cries out with proof. How do we know a building had a creator? Just by looking at it. The building itself is proof there was a creator. The world itself is proof that there is a God.

The other thing you can do when witnessing to an unbeliever is to turn the question back on them. Ask them to prove to you that there is no God. They can't do it. We Christians are often accused of basing our belief on blind faith. The truth is we have a very calculated faith based on logic and evidence. Atheists are the ones going on blind faith. To believe that this universe, this world and even our own bodies just came about by random chance is mathematically impossible. We have 206 bones in our body. How long would it take for them to randomly come together in the right order? For 200 things to occur in order the probability is 1 in 10<sup>375</sup>. Any mathematician will tell you that anything over 10<sup>50</sup> is absolutely impossible. Our bodies are enough proof in and of themselves that there is a God.

We who have the heart of God and the mind of Christ and the power of the Holy Spirit, are called to be intentional about sharing our faith with others. Life on this earth is short. Eternity is forever and that's a long time to not have the right answer as to where one is going to spend it. We have the right answer, may God bless us to share with others.

*Pastor Carl*

## New Kids Sunday School format

On Sunday, On Sunday, June 6 we will begin a new format for Sunday School for Kindergarten – 5<sup>th</sup> grade. We are excited about this new format and pray that parents will make a special effort to bring their children. There are also several Adult Sunday classes that parents who are not teaching or helping can attend.

We will begin Sunday School for all the K-5<sup>th</sup> grade students in the current downstairs Kindergarten classroom. On the 1<sup>st</sup> Sunday of each month, students will be treated to a breakfast prepared by Jason Smith and David Preslar. This will begin at 8:50 and will conclude at 9:20 am. **NO BREAKFAST WILL BE SERVED AFTER 9:20 AM.**

Sunday School will start all other Sunday's at 9:15, beginning with a prayer. After the prayer, Kindergarten-2<sup>nd</sup> graders will stay in the same classroom, while 3<sup>rd</sup>-5<sup>th</sup> graders will go next door to the other downstairs classroom. At that time a lesson will be given by the teacher, or perhaps a drama will be done by the older students which will be based on the same lesson as the younger children are hearing. After lesson time, we will all come together for a craft, indoor or outdoor games, music, or creative time. All crafts and games will be age appropriate, so the younger children may not be doing the same craft as the older students. Activity time will also include Bible verse memorization, learning the Books of the Bible and other fun and educational Biblically based activities.

After activity time, we will end with a closing prayer, and students will be released to their parents for the 10:30 church service at the ringing of the 2<sup>nd</sup> bell.

More information will be presented to teachers, helpers and parents through an email that will be coming to you soon. If you would like to be a teacher or a helper with either of these age groups, please let me know! Working with children is such a joy, and we can use as many of you as would like to be involved! Thanks and God Bless us all!

Kindergarten – 5<sup>th</sup> Grade Sunday School Coordinator
